The Cemetery Trustees of Boscawen are endeavoring to bring the records of lot owners in the cemeteries in Boscawen up to date. Lots are presently available in Pine Grove Cemetery on Corn Hill Road and Beaver Dam Cemetery on Long Street in Webster.

Our records are incomplete about Lot Owners of present lots, and we are setting up new records so that we may contact them when it is necessary to update them on Cemetery Regulations, etc.

If you are the Owner of a cemetery lot in any cemetery in Boscawen and you have not had any recent communication from us, we would like to hear from you. Would you please send written confirmation of your ownership, giving your name, address, phone number, email address if available, and your cemetery and lot number if available. This will be a tremendous help to us, and we will acknowledge receipt of your information.

Attached to this letter are new Cemetery Regulations that will go into effect on January 2, 2018. We would like to be able to ensure delivery of these Regulations before the effective date, and anything you can do to help us achieve this goal will be appreciated.

Sincerely,

Dean Hollins, Director
