PRESS RELEASE

Boscawen Hazard Mitigation Plan Update 2018 Begins

BOSCAWEN: OCTOBER 2, 2017 – The Town’s Hazard Mitigation Committee will soon be meeting to update the **Boscawen Hazard Mitigation Plan 2012**. Every 5 years, the Plan must be updated and approved to current requirements to ensure the Town’s continued eligibility for federal disaster recovery and mitigation grant project funding. Past and potential natural disasters and other hazard events will be assessed and critical facilities and vulnerable areas and populations will be identified. The Committee will review existing mitigation capabilities and develop long-term risk reduction mitigation actions to help alleviate the impact of these events to Boscawen’s people, buildings, and property.

The Committee will hold its first meeting on **Monday, October 23, 2017 at 4:00 PM at the Boscawen Municipal Building, 4th Floor Meeting Room, 116 North Main Street, Boscawen.** Additional meetings will be scheduled at this time. The draft Boscawen Hazard Mitigation Plan Update 2018 document is anticipated to be completed in late spring 2018.

All unique perspectives from stakeholders, engaged citizens, businesses, and organizations are invited to attend and participate in the Town’s hazard mitigation discussion and decision making. For more information, contact Kelley Jo Easler, Hazard Mitigation Coordinator, at 603.753.9188 x309 or via email to keasler@townofboscawen.org.
