From: Alan H. Hardy,  
Code Enforcement Officer

Date: April 4, 2017

Subject: Cold Brook Sand & Gravel Inc.  
2017 Start of crushing operations &  
use of permitted floating days

Please be advised that Cold Brook Sand & Gravel anticipates utilizing some of their floating crusher production days prior to the May 1<sup>st</sup> start date. They will use their permitted floating days as weather and equipment conditions dictate. Cold Brook Sand & Gravel will use their floating days sparingly between April 10<sup>th</sup> and May 1<sup>st</sup> and track floating days used to stay within the permitted 40 day limit as they did last year. These documents and seasonal reports once filed will be placed on our website at [www.townofboscawen.org](http://www.townofboscawen.org) for review.

Crushing operations and related work will be conducted under the conditions outlined in the Town of Boscawen Earth Excavation Permit #PB01122016-1.

RE: Use of permitted floating days - Cold Brook Sand & Gravel - 2017

Dear Mr. Hardy:

Please be advised that as of April 10, 2017, Cold Brook Sand & Gravel, located at 267 Queen Street in Boscawen, NH, anticipates utilizing floating crusher production days prior to the May 1<sup>st</sup> permit condition as weather and equipment conditions dictate. Cold Brook Sand & Gravel will use floating days sparingly between April 10<sup>th</sup> and May 1<sup>st</sup> and track floating days used to stay within the permitted 40 day limit as we did last year.

Crushing operations and related work will be conducted under the conditions outlined in the Town Of Boscawen Earth Excavation Permit # PB01122016-1.

Thank you for your consideration with this matter.

If you have any questions or require more information please feel free to contact me at (603) 796-7064.

Sincerely,

Stephen L. Proulx
