**General Information:** The applicant shall refer to the Boscawen Land Development Regulations and shall complete this checklist as part of this subdivision application. Staff will assist with fee requirements. A NH Licensed Land Surveyor shall prepare each subdivision plat and shall certify the Error of Closure. Said plat shall bear the seal and signature of the NH Licensed Land Surveyor and shall be prepared suitable for recording in the Merrimack County Registry of Deeds.

**Plan Format:** The plat be prepared on twenty-two by thirty-four inch (22" x 34") standard sheets measured from cutting edges at a scale of not less than one inch equals one hundred feet (1"=100'), or at greater detail as directed by the Board to indicate clearly the existing and proposed features of the site. The plat drawings shall have a minimum ½" margin on all sides. If one sheet is not of sufficient size to contain the entire area for the site and environs, the plat shall be divided into sections to be shown on separate sheets of equal size with reference on each sheet to the adjoining sheets. A cover sheet shall be included which shows the overall subdivision and the boundary of each sheet.

**Other Items:** In addition to the items below, the Board may require additional reports or studies deemed necessary to make an informed decision, including but not limited to: traffic, school, fiscal, environmental impact analyses, wildlife, historic, impact fee analysis, sprinkler system review and other studies. The Board reserves the right to request such information after an application has been accepted as complete.
