Motion to accept minutes as amended from 5/19/15. Seconded. All in favor.

Chief Wyman's Updates:

*With the impending absences of Officer Posada and Corporal Mottram, the State Police will help fill in gaps in service.

*The BPD has experienced a slight increase in thefts.

Old Business:

Barbara Randall reported Michelle Brochu has been working to fix problems regarding posting minutes on the town's new website.

Lorrie Carey said she had been sworn in for her 3-year term on the Police Commission, but Mark Varney and Kevin Sullivan have not. They will touch base with Michelle Brochu at the town office.

Mark Varney informed us Riverbend will no longer have staff at Concord Hospital. They hope to intercede issues at a local level. It has yet to be determined as to how this will impact police departments.

Lorrie Carey reiterated the importance of engaging our town's teens and young adults to help them make better choices. She also suggested the possibility of utilizing the Merrimack Extension's underused robotics program with our younger school aged residents.

The meeting was adjourned at 7:08pm.

Next meeting is scheduled for September 15th at 6:00pm.

Respectfully Submitted,
Barbara Randall
