Wed at Twiggs Gallery Tent

Children's Night - Origami with Adele

630-715 - Magic Fred and Balloon Twister

730 - Origami and treats

Kim had a heart from one of the classes to show us. She would like to check others and, if needed, shellac them. Ed has mentioned to Dean about his team putting the signs out on the street in July. Matt had said he would get the stands for the hearts to be put out. Hearts will be put out in July.

Sue said that 64 small hearts are done and at Matt's house. They need to be sanded and, maybe, painted. Bev said she will sand the hearts, and paint. Sue will get the hearts or have Matt deliver to Bev.

Information about purchasing the hearts will be put into the Merrimack Valley Voice, the Newsvine, out to children at Boscawen Elementary and on the Official Town Website. Small hearts will sell for 5.00 a piece. Lyman will send Kim info on the Hearts so she can put out at school.

Ed had his tri-fold to show. It has information for the whole week at Twiggs and OHD Events with pictures and in color. Nice work!! All info will have to be in by 1 Aug to be put into the folder. Ed would like so pictures of Old Home Day sent to him to put in the tri-fold. We will have them placed around town at restaurants, stores, library and town office.

Polly will get porta-potty, with hand washer and tent for Sat. Do we need a generator?
