12 The cause for the emergency meeting was to meet at the site of 36-38 Commercial Street to view
13 the current condition of our town-owned buildings. The meeting was held under the provisions
14 of RSA 91-A:2 II. The town-owned building known as the Stratton Flour building continues to
15 deteriorate, with a recent failure on the south side of the building. The Select Board members
16 walked the site and took pictures of the building. Discussion ensued about the next steps with the
17 building. No decision was made.
