RE: Emergency Cooling Shelter

Hello,

With the forecast high temperatures expected to exceed 90 degrees today through Friday, the Town of Boscawen does have a plan in place to assist citizens in need of a cooling shelter. If anyone is in need of heat-related assistance, they can call the Town and we will help them find a place where they can relax and stay cool. The options will not, however, allow you to bring any animals. Again, these options are only for Wednesday, Thursday, and Friday. Anybody looking for assistance may call the following numbers;

Emergency Management Director 603-892-5168

Town Health Officer 603-333-5380

Professionally yours,

Lt. Jason Killary
Emergency Management Director
