RE: Emergency Warming Shelter

Hello,

With Tuesday's and Saturday's forecast temperatures expected to be in the low single digits to below zero, the Town of Boscawen is prepared to assist citizens in need of a warming shelter. If anyone is in need of temperature-related assistance, they can call the Town and we will help them find a place where they can relax and stay warm. The options will not, however, allow you to bring any animals. Again, these options are for Tuesday and Saturday only. Anybody looking for assistance may call the following numbers;

Emergency Management Director 603-892-5168

Town Health Officer 603-333-5380

Human Services Director 603-748-4492

Professionally yours,

**Lt. Jason Killary
Emergency Management Director**
