RE: Start of Crushing Operations - Boscawen Sand & Gravel - 2020

Dear Mr. Hardy:

Please be advised that Boscawen Sand & Gravel, located at 267 Queen Street in Boscawen, NH is anticipating the start of crushing operations for the 2020 season on April 14, 2020.

Boscawen Sand & Gravel will utilize floating crusher production days prior to the May 1<sup>st</sup> permit condition as weather and equipment conditions dictate. Boscawen Sand & Gravel will use floating days sparingly between April 14<sup>th</sup> and May 1<sup>st</sup> and track floating days used to stay within the permitted 40 day limit as we did last year.

Crushing operations and related work will be conducted under the conditions outlined in the Town Of Boscawen Earth Excavation Permit # PB01212020-1.

If you have any questions or require more information please feel free to contact me at (603) 796-7064.

Sincerely,

Stephen L. Proulx
