TOWN OF BOSCAWEN
116 NORTH MAIN STREET
BOSCAWEN NH 03303

Dear Property Owner:

The New Hampshire Department of Transportation has scheduled safety improvement project in the Town of Boscawen. An existing conditions survey will be performed along King Street (US Route 3/US Route 4) between High Street and North Main Street.

A survey crew will be in the area and will need to enter onto your property and/or properties periodically during the next year to locate buildings, drainage, and landscaping. Representatives of the Department will also be in the area to visually review natural and cultural resource impacts. This work is to aid our design personnel with information for engineering.

If you have any questions, please do not hesitate to contact Matt Lampron of the Bureau of Highway Design on issues relating to scheduling and the design at (603) 271-2296, Kevin Nyhan of the Bureau of Environment on natural and cultural resource issues at (603) 271-3226, or our area survey supervisor Ted Bennetter, for any questions related to the fieldwork at (603) 271-3192.

Thank you very much for your help and cooperation.

Sincerely,

Jason B. Pohopek, LLS
Chief of Surveys and Mapping

JBP/jl
