## Town of Boscawen, NH Perambulation of the Boundary Line

Date/Time of Perambulation: 28, September 2022 @16:45

Per RSA 51, Matthew T. Burdick, Select Board Member/Agent of the Town of Boscawen, met with City Council Women Ms. Olivia Zink to perambulate the Town Line between the Franklin, NH and the Town of Boscawen and renew the bounds as required by law.

### Details of Boundaries:

Located at GPS coordinates (N 43.384942, W 71.649422) along the upper eastern bank of the Merrimack river.

C.C.W. Zink and I noted the significant marking flags around and engravings on the boundary stone.

The stone itself was engraved with "TL 1891" on the southern face of the stone.

From there we traveled due S.W. along Stirup Iron Rd. towards Salisbury, NH 1.1 miles to the next stone.

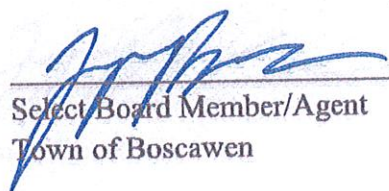

At GPS coordinates (N 43.377616, W 71.669227) C.C.W. Zink and I met with two representative from Salisbury

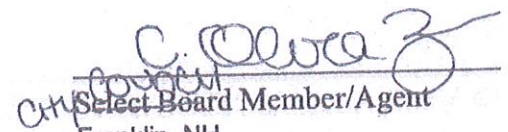

Selectmen Brett Walker & John Herbert. Here the four of us noted the markings on and around the boarder stone.

The stone itself had the following engravings: (TL B", "S S", & " CB F") on it. The area was also marked by multiple marking flags and as well as a state tag stating "State Property Corner" on an adjacent tree.

The consensus of the perambulation is that the boarder between Boscawen & Franklin is accurate & complete.

In witness thereof we have hereunto set our hands.
