Town of Boscawen, NH Perambulation of the Boundary Line

Date/Time of Perambulation: 28, September 2022 @17:00

Per RSA 51, Matthew T. Burdick, Select Board Member/Agent of the Town of Boscawen, met with Selectmen Brett Walker & John Herbert to perambulate the Town Line between the Salisbury, NH and the Town of Boscawen and renew the bounds as required by law.

Details of Boundaries:

At GPS coordinates: (N 43.377616, W 71.669227) C.C.W. Zink from Franklin, NH and I,

met with two representative from Salisbury, NH ; Selectmen Walker & Herbert to verify

our shared boarder stone. The four of us noted the markings on and around the boarder stone.

The stone itself had the follwoing engravings: ("TL B", "S S", & " CB F") on it and was surrounded by

a multitude of marking flags denoting the importance of the boarder stone. Additionally, a NH state tag was seen on an adjacent tree that reads "State Property Corner".

Selectmen Walker, Herbert, and I then traveled to the next boarder stone located at GPS coordinates;

(N 43.36056, W 71.716541) off to the right side of the powerlines located at the end of Mutton Rd.

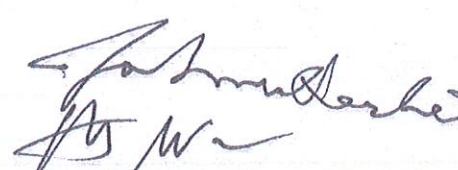

This boarder stone was engraved with the markings ("TL") and was surrounded by water.

The stone stands in the middle of the swamp and was almost entirely submerged due to recent rain.

The concesus of the perambulation is that the boarder between Boscawen & Salisbury is accurate & complete.

In witness thereof we have hereunto set our hands.
